

**Program Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**School:** \_\_\_\_\_ **Age:** \_\_\_\_\_ **Gender:** \_\_\_\_\_

**Directions:** Complete 5-10 min survey. There is no grade. Answer the survey completely and honestly. Answers are confidential. Do not write your name, just program name, date, school, age and gender. Reading the questions below, indicate how much you agree or disagree with the following statements. Color the bubble below which most accurately describes your belief.

Survey Questions		Response:
# 1	Have you received any other environmental education? (ex. Outdoor School, invasive removal, Audubon, Clean Rivers Ed, primitive skills)	<input type="radio"/> Yes <b>OR</b> <input type="radio"/> No
# 2	Besides the instructors in this program, do you have an adult role model that enjoys the outdoors and/or cares for the environment ?	<input type="radio"/> Yes <b>OR</b> <input type="radio"/> No
# 3	Have you seen something bad happen to the environment before? (ex. natural area become developed, water pollution)	<input type="radio"/> Yes <b>OR</b> <input type="radio"/> No

**Directions:** The next 6 questions are about behaviors and have a different scale than the last 3 questions. The scale is: **Never, Infrequently, Sometimes, Frequently and Very Frequently.**

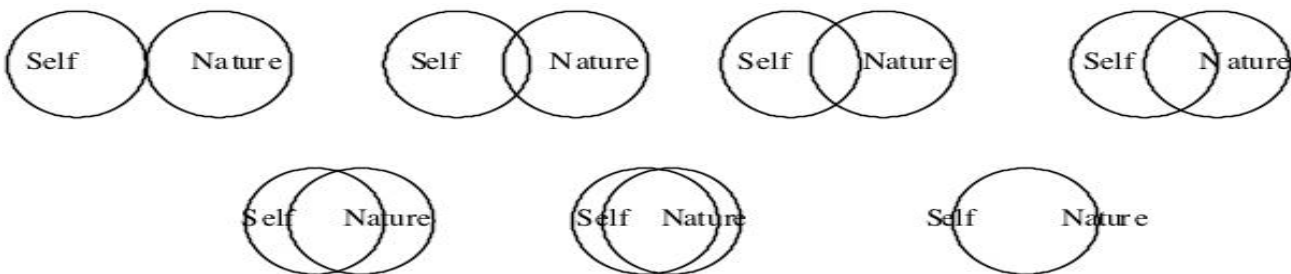

Survey Questions		Response:
#4	I recycle	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently
#5	I pick up litter/trash	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently
#6	I talk to others (parents, friends, etc.) about environmental issues	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently
#7	I engage in environmental restoration outside of school (ex. weed pull, tree planting, trail building)	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently
#8	I engage in environmental restoration as part of school (ex. weed pull, tree planting, trail building)	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently
#9	Before this program, how frequently did you spend time in the outdoors?	<input type="radio"/> Never <input type="radio"/> Infrequently <input type="radio"/> Sometimes <input type="radio"/> Frequently <input type="radio"/> Very Frequently

**Directions:** The next 23 questions are about attitudes and values and have a different scale than the last 6 questions. The scale is: **Strongly Disagree, Disagree, No Opinion/Undecided, Agree and Strongly Agree.**

Survey Questions		Response:
#10	Plants and animals have as much right as people to live.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree
#11	There are too many (or almost too many) people on earth.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree
#12	People are clever enough to keep from ruining earth.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree
#13	People must obey the laws of nature.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree
#14	When people mess with nature it has bad results.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree
#15	Nature is strong enough to handle the bad effects of our modern lifestyles.	<input type="radio"/> Strongly Disagree <input type="radio"/> Disagree <input type="radio"/> No Opinion/Undecided <input type="radio"/> Agree <input type="radio"/> Strongly Agree

#16	People are supposed to rule over the rest of nature.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#17	People are treating nature badly.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#18	People will someday know enough about how nature works to be able to control it.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#19	If things don't change, we will have a big disaster in the environment soon.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#20	If I had enough time or money, I would devote it to working for the environment.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#21	I am interested in a career working to make a positive impact on the environment.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#22	I have skills necessary to make a positive impact on the environment.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#23	I enjoy spending time in natural settings (woods, mountains, desert, lakes, ocean).	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#24	<i>With other people</i> , I can work to make a positive impact on the environment (ie. improve or protect the environment).	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#25	<i>By myself</i> , I can work to make a positive impact on the environment (ie. Improve or protect the environment).	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#26	I would feel that an important part of my life was missing if I couldn't get out and enjoy nature from time to time.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#27	I pay special attention to things outdoors (plants, animals, woods, rivers, weather).	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#28	I would be upset if the natural area where I have worked was destroyed/polluted.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#29	I think the restoration work that I do in natural areas is useful.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#30	I think the field monitoring I do in natural areas is useful.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#31	I plan to volunteer in a natural area (tree planting, invasive species removal).	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree
#32	I would like to collect environmental data for local government, so they can monitor the health of our watershed.	Strongly Disagree	Disagree	No Opinion Undecided	Agree	Strongly Agree

#33) Please circle the picture below which best describes your relationship with the natural environment. How interconnected are you with nature?

Is there anything else you would like to tell us? \_\_\_\_\_
